E-mail: brian@marintreks.com

Join Mr. C on a journey through time and discover the amazing history of life on our earth! Children will come face to face with some of the oldest, most fascinating creatures on earth including insects, arachnids, reptiles & amphibians.

Lessons include study of bats, birds of prey, dinosaurs, Ice Age creatures, North American, African, and South American animals, and much more!

I have many exciting new activities and new creatures to learn about this year!

Of course there will be live animal visitors every week!

Including our baby bearded dragons, baby leopard geckos, baby ball pythons, baby corn snakes, tree frogs, and a few surprises!

This is a hands-on science adventure every child will love!

To register:

Step 1: Please email me (brian@marintreks.com) and let me know that you are enrolling your child(ren) and provide their name(s) and grade level(s).

Step 2: REPEATERS: Just drop a check in the mail for the class fee and you're all set.

Step 2: NEW PARTICIPANTS: Please complete the Reg. Form on the back of this flyer and mail with a check to:

Marin Treks 1559 S. Novato Blvd Ste H Novato 94947

I'll confirm upon receipt of your reg. form and check.

ALWAYS a 10% DISCOUNT FOR SIBLINGS!
Repeating 5th graders can be assistants and pay just \$75 for the class!

Checks payable to *Marin Treks* please
